Welcome

We know how important a trusted financial advice relationship is in providing you with peace of mind and want to thank you for considering an engagement with one of our advisers to assist you in identifying and achieving your needs and financial goals.

We have prepared this guide to provide an overview of our services. Please take the time to review this document before engaging our services.

WHO WE ARE AND WHAT WE STAND FOR

As an Australian Financial Services (AFS) Licence holder, Praescius is a non-institutionally owned financial services company providing services in Accounting & Taxation, Wealth Management and Finance Broking through our offices in Parap, NT; Hervey Bay and Bulimba (Brisbane), QLD; and Camden in NSW.

Our mission at Praescius is to assist you in identifying a clear set of goals and objectives so you can plan for your future with confidence. We will also help you to understand the steps required to achieve them and a realistic timeframe for doing so.

OUR RESPONSIBILITY TO YOU

Your adviser provides financial advice and services on behalf of Praescius and accordingly we are responsible for the financial advice and services they provide.

Our advisers are required to provide this FSG and a Representative Profile to you prior to providing any personalised financial advice, products and/or services. The FSG, together with the Representative Profile, is a disclosure requirement under the Corporations Act 2001(Cth). If you have not received a Representative Profile, please ask your adviser for a copy or contact us (see page 7 for contact details).

The Representative Profile contains important information about your adviser. This includes their Authorised Representative number and/or Corporate Authorised Representative number (if applicable).

It also includes accreditations, qualifications and experience, areas of advice and types of financial services they can provide, details of how they get paid and fees that you may be charged.

OUR COMMITMENT TO YOU

Our advisers are committed to providing quality financial advice and a wide choice of products and/or services to suit individual client circumstances.

Your adviser is obliged by law to act in your best interests and provide appropriate advice when providing financial advice to you. To be in a position to provide effective advice, your adviser will need to determine your needs, objectives and relevant financial circumstances.

You will be asked to provide accurate information and to keep your adviser updated on any changes to your relevant circumstances to ensure the advice provided and financial products recommended remain relevant to your personal situation. You do have the right not to divulge such information. However, in this case, your adviser will warn you about the possible consequences and how this may impact the quality and reliability of the advice provided. Additionally, your adviser may also decline to provide advice if they feel they have insufficient information to proceed.

Before providing any financial products and/or services to you, we will need to verify your identity in accordance with the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF Act). Your adviser will let you know what documentation you will need to present to allow them to provide you with appropriate advice and to meet the relevant customer identification requirements under the AML/CTF Act.

To ensure that you remain on track to meet your short to long-term needs and objectives, it is vital to periodically review your financial plan. Your adviser will offer a review service appropriate to your circumstances. A fee may be charged for the ongoing advice and management of your financial affairs. Your adviser will provide you with details of any such fees which are applicable to you.

As part of our commitment to you, Praescius adheres to the Codes of Ethics/Conduct of professional associations such as the Financial Planning Association of Australia, the Financial Services Council and the Australian Association of Financial Advisers.

The principles enshrined in the above mentioned Codes serve as a minimum standard for the professional behaviour of our Authorised Representatives, with advisers required, amongst other things, to act in the best interests of clients and to act honestly, efficiently and fairly in the provision of financial services.
